Grand Knight's Message

*Grand Knight
Tom Snider*

I cannot tell you how proud I am to be the Grand Knight of such a great council. The work you Brother Knights have done and, the things you have accomplished over the last couple of years is overwhelming. With the number of new Knights that have joined our council lately, the expectations just keep getting bigger.

The response to the needs of our fundraising events so far has been great but, we do need to get more participation to man up the Packer concession booth. Last Saturday, for Family Night, we were 7 people short and, we worked our tails off. If each of you, my brothers, could volunteer for a couple of games, we could make sure we can maintain our presence. We have been told that if we cannot keep our census up, we stand a chance of losing the booth.

I do not want to make it sound like this is due to Council #8810, because it is not but, last year, and so far this year, Council #8810 has not been able to find the 4 people to work each game. As I can see now, if we had more than 4175450 volunteers, chances are we could take them all. Each Knight usually makes \$55 from their efforts to help our budgetary needs.

I will be resending the Packer Booth email yet this week. If you do not receive it by the end of the week, please email me so I can see why it is not coming through. Look for a chance that you can help raise funds for Council #8810 by working the booth. Remember, our Council depends on the volunteer hours from all of our members. Surely you can find the time to help us raise the funds we need to achieve our goal of giving back to our combined parishes as well as the communities of Omro and Winneconne. Do your part, I can tell you from experience that it feels good. Thanks for listening.

Thank You!

A big THANK YOU to David Geurden! Dave is donating his nearly new gas fired grill to the Knights. His grill will be a welcomed addition for both council and church activities. Our Gas fired grill needs some work and will be repaired, too.

Russell Rank

When Knights of Columbus events are happening in Omro, you will surely find Russ involved in those activities. Russ has been a main stay of our council's brat fries or food booth. He not only puts in his shift but usually stays for the entire time. We thank Russ for his dedication.
