## Grand Knight's Message

Grand Knight  
Ed Fischer

As we enter the summer season, there is good news and bad news. First the **bad news** is we must pay several assessments to State and Supreme and, as a result our General Account becomes quite thin. The **good news** is that we have several opportunities to replenish our General Account. Between now and July 4th there are 3292704 fund raisers listed in the Calendar of Council Events. Please consider working at one of these events so that we don't burn out those knights who usually volunteer for everything. Thanks!

## Rosary for Life

Remember the battle for Life continues every day. You can be part of the solution by **praying the Rosary** with other like minded Catholics on Monday, **June 21st** at the Planned Parenthood Office in Oshkosh, behind the Cinema Ten Movie Theaters. It takes only 20 minutes and begins at 6:00 pm.

## Other Meeting Notes...

- √ The **Treasurer's Report** for May shows a General Account balance of \$1,354.12, the Charity Account balance of \$2,670.02 and the Ultrasound Initiative Fund at \$42.84.
- √ The **luncheon for the June Business Meeting** will be prepared by **David Geurden**.
- √ **Our Worthy District Deputy Chuck Rohr's** number was drawn from the '**Buckets of Bucks**' however, Chuck was not at the meeting to collect the \$60.00 prize which will increase to \$70.00 at the June Meeting.
- √ **Lyle Sager** did not find his membership number in the April *Knightly News* and collect his \$10.00 Can you find the membership number in this month's issue?

## State Charity Tickets Sales

This Year's Sales: 486 Tickets  
Last Year's Ticket Sales: 843 Tickets  
The difference is about \$900.00 less for our Charity Account.

## *Family of the Month*

### *Craig & Donna Rider*

The Ultrasound Initiative offered by Supreme would match funds raised by councils to purchase an ultrasound machine for a pregnancy medical clinic. Our council's pro-life couple, Craig and Donna, asked councils in Districts 9 and 10 to help raise the necessary funds. Hundreds of Knights give their time and talent to make this dream a reality. Thank you.

*Thank  
You!*

I am pleased and humbled to be honored by the council as the **Knight of the Year**. I would also like to thank the council for the Knights of Columbus watch. Every time there is something to be cooked / grilled I am a willing participant. It is gratifying to be recognized for the work that has been accomplished.

### *Jack Quigley*

The Tootsie Roll Drive in which our council participates each spring takes a lot of organization and coordination. Jack has graciously accepted this challenge. It is a bit more difficult to do because we now have two communities of which to take care. As a result of Jack's efforts we have raised a record amount this year. Thank you, Jack, for all the hours you spent during this Tootsie Roll Drive.

## **Tootsie Roll Drive Sets Record!**

Under the chairmanship of Jack Quigley, our council set a record for Tootsie Roll collections of \$2,986.65. This year the money will be divided with 40% to each of the Special Education Departments in Omro and Winneconne School Districts. The remaining 20% will be directed to the Haven of Hope Home for individuals with disabilities.
